Job Placement Guarantee

Canaglobe TESOL Centre is pleased to offer the following money-back job guarantee to graduates of our course who:

- are native speakers of English
- possess a University degree (in any discipline)
- were born in Canada, America, Australia, New Zealand, UK, Ireland or South Africa

Conditions of the job guarantee are as follows:

1. The guarantee period lasts for six months. It begins when you send your first job application and ends six months later. You must send your first application within six months of completing our TESOL course.
2. The graduate must show copies of all correspondence from the job application process.
3. The graduate must apply to a minimum of 10 jobs in at least 3 countries within the first three months of the application process - a total of 30 positions.
4. The graduate must follow up on all responses from schools within 5 days of receipt of correspondence.
5. The graduate, if having trouble finding a job, must seek assistance from Canaglobe within 3 months of commencing their job pursuit.
6. The full termination of the 6 month guarantee, if the graduate has not been offered at least one job (with terms and conditions normal for that country) in one of the countries of choice (see list below), a refund must be claimed in writing.
7. Canaglobe TESOL Centre, after thorough evaluation of the refund request, will respond in writing. Any refund offer will be accompanied by a request that the graduate return the TESOL Certificate, the TESOL class materials, plus the receipt for payment of tuition with a note confirming that no use of this tax receipt for income tax purposes has been made prior to receiving the refund. The graduate must also cease to include any reference to his / her training on his / her resume.
